contact: uros1201@gmail.com

## EDUCATION

**Burnaby Central Secondary**      June 2022

- **Cumulative GPA:** 4.0,
- **Relevant Coursework:** Programming 11, AP Computer Science A, Calculus 12

## SKILLS

- **Linux/Bash**
- **Java**
- **JavaScript**
- **HTML/CSS**
- **ReactJS**

## EXPERIENCE

**Mobile Software Developer**      October 2021

Quantasphere Solutions - Two week work-experience internship

- Worked vigorously on a ten day project which would allow users to track the location of their boat
- Used NodeJS, VSCode, ReactJS
- Learned how to implement different APIs into an application

## PROJECTS

**Boat Tracking Application** - Created the entire front end and most of the back end of an application used to track boats. Designed well optimized “Login”, “Register”, “Create account” pages as well the main page of the application which allowed users to add, remove and check the location of their boats.
